Set In Stone Sustainability Farms

Set In Stone Sustainability Farms (SISSF) is a 501c3 nonprofit farm that provides agriculture education, processing workshops, therapeutic gardening, holistic alternatives, and sustainable living workshops. Our Vision is impacting communities through "hands-on" agriculture, animal observation, and education for all children in grades Pre-K through 12. We include all aspects of farm-life and management, gardening and husbandry, art expression and creative writing. Set in Stone Sustainability Farm is helping communities thrive from the inside out. We help provide for the needs of the underserved community "today", but we don't stop there. Our training and educational programs afford those whom we serve the opportunity to take an active role in providing for themselves "tomorrow". We literally teach the community "how" to fish, "how" to raise and care for livestock, and "how" to grow healthy, sustainable foods through the use and scientific technique of replenishing the soil through crop rotation and the avoidance of waste through recycling of animal by-products.

Camp Dates: Single Day Field Trips

Ages: Pre-K through 12

Fee: : \$20 per student

Passion 2 Pay Project

An explanation of the program: Passion 2 Pay Project p3 is partnering with BizWorldPRO that teaches children the basics of entrepreneurship, business, and finance. This project-based learning (PBL) program gives students the opportunity to learn business basics. Working in teams of six, students start, fund, and run their own companies making products created from simple craft materials. The students go through the entire BizWorld Entrepreneurship Cycle and the program culminates with the Sales Bazaar, an exciting opportunity to engage other students, parents, administrators, and community members. The BizWorld currency, BizBucks, helps students gain financial knowledge as they spend, save, get loans and other financing to support their businesses. During the BizWorldPRO experience, students have multiple opportunities to practice leadership, teamwork, and decision making, while honing their math and communication skills.

Jump Shots for Justice

A community event hosted by the South Carolina Department of Juvenile Justice, Prevention and Intervention Division and the City of Columbia, Office of Violent Crime Prevention. As we gear up for our much-anticipated basketball tournament, "Jump Shots for Justice," We are thrilled to share with you the heartfelt mission that drives this impactful event. At its core, our tournament aims to foster a strong sense of community engagement while offering vital support to at-risk youth. Through the values of physical activity, teamwork, and mentorship, we aspire to make a genuine and long-lasting difference in the lives of youth who are navigating various challenges within our community. "Jump Shots for Justice" is more than just a tournament—it's a beacon of hope and empowerment that seeks to bridge the gap among all communities and create a space of unity and collaboration. Beyond the basketball court, "Jump Shots for Justice" represents a unique blend of athleticism, education, and community involvement.

This event brings together youth of all ages, educators, and community members for a day filled with sportsmanship, learning, and empowerment, creating bonds that transcend backgrounds and unite us in a common cause of support and growth. By intertwining sports, STEM education, and back-to-school assistance, our initiative strives to empower the youth in our community in a multitude of ways. Through basketball, participants learn the values of teamwork, discipline, and perseverance—skills that extend far beyond the game and are crucial for success in every aspect of life. The STEM fair sparks curiosity and nurtures a love for learning, paving the way for future opportunities in high-demand fields.

Additionally, our back-to-school support ensures that every student has the resources and guidance needed to excel academically, setting them on a path towards a bright and successful future. In addition to our primary objectives, "Jump Shots for Justice" aims to shine a light on the Community Service Division of the SC Department of Juvenile Justice, the City of Columbia, and our partners, underscoring the importance of community involvement and support for at-risk youth. Together, we can create a platform for meaningful dialogue, collaboration, and understanding, embodying the shared responsibility we hold in shaping a better tomorrow for our youth and our communities.

Date: August 2

Time: 9:30 AM - 3:00 PM

Ages: This event is open to everyone in the community, regardless of age. Enjoy a day of fun and community engagement.

COLUMBIA ART CENTER 2024 KID'S ART CAMPS

Session 1: June 3-7 **AGES 10-16**

Pottery Explorations

Campers will be able to devote a full week to working with clay and creating pottery. Hand building projects, wheel throwing and glazing will be included. This is a great opportunity to develop skills that are essential to working with clay.

Instructors: Minna Azeem &
McHale Kuhlkin Hornsby

Session 2: June 10-14 **AGES 5-11**

FARM FUN

We will be creating clay pig maracas, small clay animals and clay barn tiles. All animals need a safe place to stay, so we will build them a barn and pastures out of paper and other materials.

Instructors: Sonia Neale & Minna Azeem

Session 3: June 24-28 **AGES 5-11**

Magical Creature Fun

Let's reimagine magical creatures. Instead of just a unicorn, let us make a pugcorn out of clay. How about a kitty mermaid sitting on a coral reef? We will create colorful paintings and mixed media of all the magical creatures we create.

Instructors: Sonia Neale & Minna Azeem

Session 4: July 8-12 **AGES 5-11**

Imagination Station

Campers will create mixed media 2-D and 3-D art. These projects are designed to encourage creativity and imagination. We will explore new techniques in mediums including painting, drawing, and printmaking. Campers will be encouraged to think outside the box and find new ways to create art with familiar objects.

Instructors: Michael Krajewski &
Minna Azeem

Session 5: July 15-19 **AGES 9-15**

Swimming in Your Brain

Campers will create mixed media 2-D and 3-D art projects. These multi-media constructions will utilize a variety of materials and techniques to foster creativity. We will learn different techniques in mediums including painting, drawing, collage and printmaking.

Instructors: Michael Krajewski &
Minna Azeem

Session 6: July 22-26 **AGES 10-16**

Pottery Explorations

Campers will be able to devote a full week to working with clay and creating pottery. Hand building projects, wheel throwing and glazing will be included. This is a great opportunity to develop skills that are essential to working with clay.

Instructors: Minna Azeem &
McHale Kuhlkin- Hornsby

Session 7: **July 22- August 2** **AGES 5-11**

Medieval Times

In this camp, students will learn how to make a castle, a dragon eye and a bobblehead princess or a knight out of clay. We will create mixed media coat of arms, paint a dragon and more.

Instructors: Sonia Neale & Minna Azeem
